## THE OUTLOOK

By Jerry Bush

### Basketball Coach, University of Nebraska

The members of the Nebraska varsity and the coaching staff face the 1959-60 basketball season with a feeling of optimism.

We realize of course, we are competing in the finest basketball conference in the country. Year in and year out, the Big Eight has been chosen as the best in basketball.

We also realize that we are facing the toughest non-conference schedule, the University has ever played. This season, we meet the Air Force Academy, Minnesota, Notre Dame, and Michigan State here in Lincoln. We then journey to Oregon State for two games and wind up the tour at Montana State University.

Our feeling of optimism is based on the fact, we will have height and depth for the first time in six years. Last year's starting five will all be back: Bob Harry (6'6") Jim Kowalke (6'3") Wayne Hester (6'2") Al Maxey (6'3") and Herschell Turner (6'2"). Coming up from the Freshman team will be Al Buuck (6'9") Jan Wall (6'6") Al Roots (6'3") Rex Swett (6'2") Phil Barth (6'3") Bernt Elle (6'5") Ivan Grupe (6'5") LeRoy Dick (6'4") Ray Solee (6'9") Al Olsen (6'2") and Bill Bowers (6'6").

I honestly feel that in Herschell Turner, Nebraska has one of the finest players in the country. Last year, "Hersh" was all Big Eight, All District Five and 3rd Team Helms Foundation All American. "H.T." has broken the scoring record for a single season with 428 points. He now has a total of 674 for two seasons and only needs 181 points to set a new Nebraska career record. Turner will be our captain this year, an honor he richly deserves.

Jim Kowalke, a junior, who suffered a broken wrist last year, has returned in excellent condition. Jim was one of the unsung heroes last season. He played practically the last half of the schedule with a leather brace on his wrist. Jim is what you call a ball player's ball player.

Al Maxey should have a great year. He is now a junior and the added year of experience will help him tremendously. Albert's hustle and extreme desire is something to behold. He is perpetual motion personified.

Bob Harry at 6'6" has done a fine job in playing the other team's big man. Many times, Bob would spot an opponent 3 to 4 inches in height. This year he will have help in this department from Al Buuck, Jan Wall, Bill Bowers and Ray Solee.

Wayne Hester returns at one of the guard spots with sophomores Al Roots, Rex Swett and Phil Barth really pushing him.

The Big Eight appears to be as tough as ever. Kansas State lost Boozer and Matusak, but have several outstanding sophomores coming up, including Mike Wroblewski (6'9") from South Bend, Ind., to go along with their returning veterans. Kansas may be the team to beat with Wayne Hightower, 6'8", a sophomore from Philadelphia. Oklahoma and Missouri will have all veteran teams with good size and depth.

Colorado and Iowa State will have great sophomores to go along with their returning veterans. Hank Iba's team at Oklahoma Satte is always tough.

All in all, it shapes up as another interesting basketball season.

### **GERARD L. BUSH, HEAD BASKETBALL COACH**

The 1959-'60 season marks the sixth year for Gerard L. (Jerry) Bush, sometimes called the "Coliseum Bear," as head coach of the University of Nebraska basketball team.

In his first year (1954-55), Bush guided the Huskers to a surprising third-place in the Big Seven, despite the loss of several top-flight performers.

In 1955-'56, hampered by squad inexperience, and the lack of a good big man, the Huskers dropped to sixth place in the Big Seven with a 7-16 over-all record.

In 1956-'57, Bush compiled an 11-12 record and finished conference play in a fourth-place tie with Colorado. The Cornhuskers put over two of the biggest upsets of that season when they beat Kansas, with Wilt Chamberlain, and Kansas State, Big Eight Champions.

Last season Bush achieved his finest record since his arrival in Cornhuskerland (12-13) and finished in a fifth-place tie with Oklahoma State in conference standings.

Bush, 45, was head coach at the University of Toledo from 1947 until his appointment here. While at Toledo his teams won 129 games, lost 59, and in 1954 his squad won the Mid-American Conference Championship, losing to Penn State in the NCAA Championships.

Bush was born in Brooklyn, N. Y., in 1914, graduating from Erasmus High School. A Methodist, he attended St. John's College, graduating with a Bachelor of Science degree in 1938.

He played three years of varsity basketball and baseball at St. John's. He was named All-American in 1937 and 1938, All-Madison Square Garden Tournament player in 1936-'37-'38 and All-Metropolitan during the same period.

He later played professional basketball with the Kate Smith Celtics, 1938; Akron Firestones, 1939-'40-'41; Rochester Royals, 1942; and the Fort Wayne Zollners, 1943-'44-'45-'46-'47. He won All-American Professional team honors five years and in 1946 was selected as one of the 10 best all-time professional players of that time.

### **W. D. (Tony) SHARPE, FRESHMAN COACH**

Tony Sharpe, who serves as baseball coach in the spring, handles the freshman squad in basketball. A graduate of Indiana Central, Tony came to Nebraska in 1946. He played basketball and baseball as an undergraduate.

Sharpe served three years in the Navy as a lieutenant (j.g.) and was in both European and Pacific theaters.

This season Coach Bush also will have the services of Gordon Benson and George Swank, as student assistants. Swank competed for the Huskers last season. Both Benson and Swank are working toward their degrees.

Benson is with the varsity. Swank is helping with the freshmen.
